

Bristol Veterinary Service

And

Present a lecture by:

Dr. Hoyt Cheramie DVM, MS, DACVS

“Equine Gastric Ulcer Syndrome”

The lecture will be held at the Kenosha County Building on
Tuesday, June 8, 2010 at 6pm.

Please join us to learn about causes and preventative measures you can take to protect your horse from gastric ulcer syndrome.

The Kenosha County Building is located at the intersection of Hwy 50 and Hwy 45 in Bristol, WI.

Please contact Dr. Sarah Hanna with any questions. (262) 859 - 2560
